Creator Created many blessings, but the creation of Muhammad (P.B.U.H.) is the greatest blessing for creatures. Muhammad (P.B.U.H.) was born in Makkah on 571 A.D. He belonged to the tribe of Quraish. His father died before his birth. His uncle brought him up nicely. He led a life of simplicity and honesty. Therefore, the people of his locality called him honest and truthful, His childhood and youth were the witnesses of his character. He married Hazrat Khadija at the age of forty.

He began to preach to people of the oneness of Allah with love and complete devotion. He was very kind and sympathetic, Even an old woman who threw garbage on Him. He comforted her with medicine, swept her house, and forgave her Muhammad (P.B.U.H.) Preached the people to worship one Allah and do not bend before anyone for their cravings.

Allah said in his undoubted book, "and we sent you not but as a blessing for all the worlds" Muhammad (P.B.U.H.) left this mortal world at the age of 63. May Allah shower His blessings on Him? Amin!

## **(2) MY FAVOURITE BOOK**

A book is a matchless companion of man. I have read many books. They are important and interesting according to their own value. But I like the most the Holy Quran. The Holy Quran is my favorite book. It is written in the Arabic Language. It contains thirty parts and 114 chapters. Some chapters are very long and some are very short. The longest chapter in this book is Surrat-ul-Baquara and the shortest is Surrat-ul-Kausar.

Allah revealed this book on His beloved prophet Hazrat Muhammad ( P.B.U.H) in about 23 Years. It is His last Message for the betterment of mankind. I recite it daily after the Fajar prayers and feel satisfaction. I also read its Urdu translation to understand the revelation of Allah almighty. This book tells me more much about other previous prophets and their followers. It advised us to offer Prayers. Give alms, keep fast and perform Hajj. It advised us to offer prayers, give alms, keep fast, and perform Hajj, It preaches us to obey our parents, do well for our relatives, neighbors, and other members of society.

To sum up, it is an undoubted book and is a complete code of life. We should love this book and lead our lives according to its teachings.

All the people gathered at the spot and said that it was no mistake of the car driver but Tom. He put Tom in his car and took him to Civil Hospital. Doctors tried their best to save Tom's life but not could compete with nature. After the treatment of two hours, Tom left this mortal world.
